

International Flight Plan Forms

Changes are scheduled for October of this year for the US to use the ICAO International Flight Plan. Many pilots have not had to use it and because of it's differences, some pilots might find it hard to fill out.

Directions: Exit I-94 at State Street. Turn south and go to the first light. Turn right on Airport Drive and take it to the very end. The terminal building is next to the tower.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
